Home / Products / Tyre Care / Tyre Pressure Gauges / TPG1 Tyre Pressure Gauge

Info / Accessories

The TPG1 is a pocket tyre pressure gauge with an angled head designed to fit onto the tyre valve at 90 degrees.

It incorporates a self-adjusting friction device which enables the pressure to be read when the tyre pressure gauge is removed from the tyre valve, and a positive sealing washer to ensure reliability. Features integral pocket clip and removable protective cap.

Key Product Benefits

- Incorporates a self-adjusting friction device which enables the pressure to be read when the tyre pressure gauge is removed from the tyre valve
- A positive sealing washer ensures reliability
- Integral pocket clip and removable protective cap
- Angled head is designed to fit onto the valve at 90 degrees
