

# TC-60 BEAD NOTCHER

Available in an 3 HP electric motor or 10 HP B&S gas engine

## PRODUCT FEATURES

- The **TC-60 Bead Notcher** renders tires unmountable to prevent re-circulation
- Disables any newly manufactured tire that is defective and/or not intended for use.
- It takes unwanted tires out of circulation permanently, eliminating any liability.
- The TC-60 cuts a 1.5" notch into the bead, making it impossible to mount.
- Works on all tires up to 11" x 24.5"
- Constructed of heavy structural steel for years of dependable service.
- The powerful jaws are made of heat treated tool steel and power by a 3 HP electric motor or 10 HP B&S gas engine.
